Sealed, Private Priority, Special Exclusive Jurisdiction  
in Equity. Urgent Priority.

I am a non UCC person. I am a Private  
American National, Minnesota State National.  
Sister in Christ, in this world, not of it.

As the Bible is the Word of God and  
in it according to 2 Timothy 3:16-17 A man of  
God finds instruction in righteousness for every  
good work he finds the answers in the scripture.

I come with pure heart, in love and peace-  
loving, with consideration for all. It is with  
morality and sincerity I require the will  
of God Almighty be done with a Chancellor  
in the exclusive jurisdiction in equity grant  
the justice of equal time with my offspring  
who is unlawfully being withheld from me.

The details of this "case" are exclusively  
Private between Brothers and Sisters in  
Christ. No At Law remedy is available.

In Peace,  
Kenes, Christine Marie
